

Here on Tenerife, Spain, EU, Earth ?

i ECO - ISLANDS - A reality that we support !

*With regard to the upcoming near future the autonomy status of this "Comunidad Autónoma de Canarias" offers opportunities to achieving resolutely and also ultimate action.*

[ [http://www.projekt-verde.org/data/tene\\_01\\_eco\\_en.pdf](http://www.projekt-verde.org/data/tene_01_eco_en.pdf) ]

Actual long term directives by local government support this idea ...  
Google "El Hierro". It already happens. Same occurred, granted by authority with very small steps, all over the islands. It work's . . .

Actually we make here experiments in Setas [ ~ Mushroom ] ...

Promoting Agroecológica and trying to bring the people together.

! **ECO – ISLAS - Una realidad que apoyamos !**

! **Planning is not rational. Planning is very irrational on long distances !**

What else. Patent Marketing. Somehow stupid concepts and ideas !

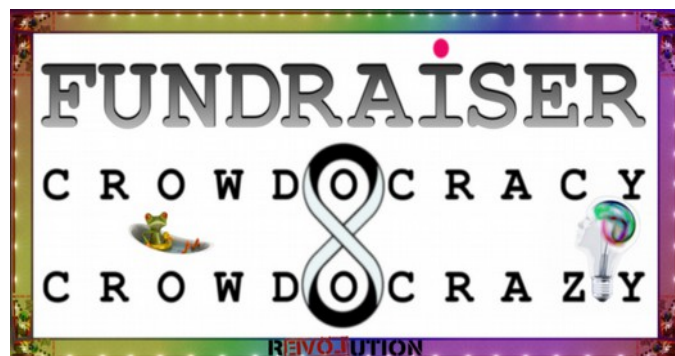

More or less : Enter BigBusiness. All together with Open Source . . .

There you can help. Push it. Engage yourself and your social circle !

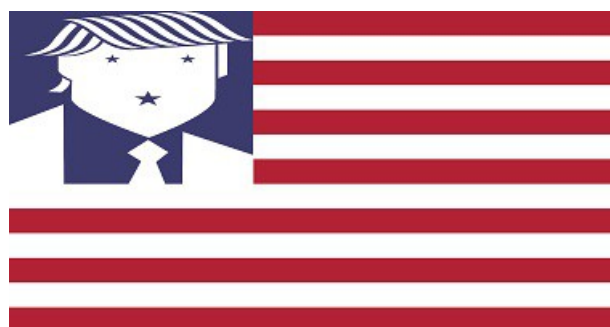

Ooops. Nearly I forget. It is about a election in 2020. Step N° 4 :

Our commercial attraction :

The Trump. We do not have to forget this Trumpmania. Here too !!!

A Zen Master's Advice On Coping With Trump !  
Something else from the category "empathy and get the ass up" !
